

From Awkward to Open: Let's Talk About Sex

A Workshop for IBD Nurses

What to Expect?

Led by a sexologist, this workshop will provide theoretical and interactive sessions on the intersection of sexuality and IBD.

The workshop will address the following:

- How to initiate conversations with patients
- Tips for when a psychologist is not available
- Practical tools
- Case-based discussions

The workshop will be delivered in two parallel sessions: one in french (subject to availability) and one in dutch
